MEMORANDUM FOR: 25X1A [REDACTED]  
The Central Intelligence Agency  
SUBJECT : Malenkov Test Case

25X1A

1. You know about the study, I am sure, because you helped [REDACTED] while he was gathering data on it. Since the death of Stalin somewhat more data about Malenkov has been revealed than was known at the time that the study was made, but the difference has not amounted to any significant increase.

25X1A

2. I should appreciate your routing a copy to [REDACTED] and a copy or two to CIA Registry-Archives for possible future reference within the Agency. I am routing other copies to persons within the Agency and I am sending to you copies of my covering memoranda. Many thanks for your help on this.

25X1A [REDACTED]
